Dear Parents and Guardians,

At Baden Academy Charter School, we believe that strong communication between home and school is key to your child's success. Scheduling a parent-teacher conference is an excellent opportunity to discuss your child's academic progress, celebrate their strengths, and identify areas for growth. It also allows us to partner together to set meaningful goals that will support your child's learning and development.

We are excited to announce that Parent-Teacher Conferences will be held on November 7th and 8th. Depending on your

schedule, you can choose to meet with your child's teacher in person, via Zoom, or by phone.

During the conference, you'll gain valuable insights into your child's classroom experience, learning style, and social interactions. We encourage you to ask questions, share your concerns, and collaborate with us on strategies that can benefit your child both at school and at home.

Your involvement plays a crucial role in your child's education, and we are here to support you every step of the way. By working together, we can create the best possible learning environment for your child.

Please take a moment to contact your child's teacher to schedule your conference. We look forward to connecting with you on Thursday, November 7, or Friday, November 8!

Thank you for your continued support,

**Mrs. Melanie Houston and Mrs.
Kenisha Page**
