Winter Weather Protocol

Winter Weather Protocol:

We wanted to remind you of our snow delay/cancellation protocol. In the event of inclement weather, please tune in to your local news stations (WTAE, KDKA, WPXI) for up to date information. You will follow your home school district's delay/closure if Baden Academy remains open. If Baden Academy should choose to close, we will send out a school reach and post to our social media sites, in addition to local news stations.

Transportation will run according to your home district's schedule. If we are open, and your home district is operating on a two hour delay, your student will not be marked tardy. In addition, should your district cancel, your student will not be marked absent. Because we have several districts represented at our school, it is important that you monitor your district's updates. Your student's safety is our top priority.

ACCEPTING APPLICATIONS FOR 25-26 SCHOOL YEAR

SCHOOL LOTTERY INFORMATION

Applications for next school year ARE NOW LIVE, should you need to apply for any *new siblings*. *Current enrolled students do not need to reapply!* Please read our policy on lottery and preference for applicants.

As a public charter school, our admissions process includes the completion of a digital and random lottery, through which we identify students to be offered a slot for the upcoming school year. The lottery for *Kindergarten* will be conducted on January 23, 2025. Students in older grades will form a wait list until the end of the current school year until we see how many available spots we have.

Should we receive more applicants than the number of expected open seats for the upcoming school year, students who were not selected in the initial lottery are placed on a waitlist and offered admissions as seats become available.

During the lottery, the nature of our charter requires that we give preference to applicants for the lottery (for the upcoming school year) in the following order:

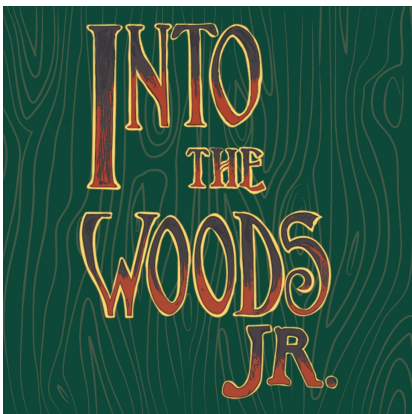

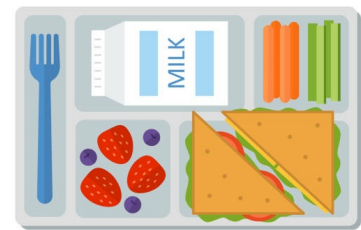

- Siblings of existing BACS students from the Ambridge Area School District
- Siblings of existing BACS students from all other districts
- Family members of BACS founders - in the Ambridge Area School District
- Family members of BACS founders - from all other districts
- Students from the Ambridge Area School District
- Students from all other districts

During open enrollment (for the current school year, or for the upcoming school year after the lottery has been completed), admissions are handled on a first-come, first-serve basis.

Please contact the front office with any questions that you may have.
