ACCEPTING APPLICATIONS FOR 25-26 SCHOOL YEAR

SCHOOL LOTTERY INFORMATION

Applications for next school year will be available on our website on December 3rd, should you need to apply for any *new siblings*. *Current enrolled students do not need to reapply!* Please read our policy on lottery and preference for applicants.

As a public charter school, our admissions process includes the completion of a digital and random lottery, through which we identify students to be offered a slot for the upcoming school year. The lottery for *Kindergarten* will be conducted on January 23, 2025. Students in older grades will form a wait list until the end of the current school year until we see how many available spots we have.

Should we receive more applicants than the number of expected open seats for the upcoming school year, students who were not selected in the initial lottery are placed on a waitlist and offered admissions as seats become available.

During the lottery, the nature of our charter requires that we give preference to applicants for the lottery (for the upcoming school year) in the following order:

- Siblings of existing BACS students from the Ambridge Area School District
- Siblings of existing BACS students from all other districts
- Family members of BACS founders - in the Ambridge Area School District
- Family members of BACS founders - from all other districts
- Students from the Ambridge Area School District
- Students from all other districts

During open enrollment (for the current school year, or for the upcoming school year after the lottery has been completed), admissions are handled on a first-come, first-serve basis.

Please contact the front office with any questions that you may have.

Managing Cell Phone Use for K-6 Students Suggestions and Resources for Families

As the Deans of Baden Academy Charter School, we understand the challenges of managing technology in today's digital age. For our students, ranging from kindergarten to sixth grade, setting healthy boundaries with cell phones is crucial. Here are some practical steps and resources to help:

1. Start with Clear Rules

- Establish screen time limits and device-free zones, like during meals and before bed.
- Discuss your family's expectations for technology use and revisit them as your child grows.

2. Use Built-In Parental Controls

- iPhones: Use "Screen Time" to set app limits, content restrictions, and downtime.
- Android: Try "Family Link" for monitoring activity, managing apps, and setting time limits.

3. Explore Trusted Resources

- Common Sense Media ([commonsensemedia.org](https://www.commonsensemedia.org))
- ✓ Reviews of apps, games, and online content.
- ✓ Tips for age-appropriate device usage.

✓ Tools to balance screen time with offline activities.

4. Teach Digital Citizenship

- Encourage conversations about online safety and behavior.
- Remind students that their digital footprint matters.

5. Encourage Healthy Habits

- ♂ Promote non-screen activities like reading, playing outside, or hobbies.
- Be a role model by setting limits for your own screen time.

Together, we can guide our children to use technology responsibly and build skills for a bright future!

We Need YOU to Inspire the Future!

Are you passionate about your career? Do you want to spark curiosity and excitement in young minds? We're inviting parents and community members to volunteer for College and Career Day! This is a chance for you to share your profession with eager students in grades 3-6.

What You'll Do:

- **Host a Table:** Set up a station that highlights your profession.
- **Engage with Students:** Design a quick, hands-on activity (5 minutes max) to give students a glimpse into your career. Giveaways/tokens would be great for students to remember you by!
- **Make it Intriguing:** Capture students' attention with an engaging, real-world look at what you do every day!

Benefits for Students:

1. **Explore Careers OR Colleges:** Open their eyes to a world of possibilities.
2. **Hands-On Interaction:** Engage with professionals and ask questions.
3. **Community Connection:** Strengthen school-community ties.
4. **Inspire Motivation:** Your story could ignite their ambition!
5. **College/Career Planning:** Help them understand future opportunities.

Join Us! Let's make an impact together and support our students as they dream big!

 **RSVP by February 3, 2025**

To volunteer please fill out the [Google Form](#)
