Ready Yourself Youth Ranch Fundraiser

Yee-haw! Thanks to our families, we raised \$2,017 for Ready Yourself Youth Ranch! The House of Isibindi raised the most money and earned time with a few of the horses. They even got to paint on them with washable paint.

A special shout out to our top fundraisers:

Reign B
Connor A
Oliver A
Waylon H
Lorenzo F

These students had the honor of presenting a check to RYYR.

Educational Leave of Absence Information

What is an Educational Leave of Absence?

An Educational Leave of Absence is when a

student can be excused from school to engage in educational activities such as travel, specialized programs, or unique learning experiences. This leave can enhance personal growth, broaden academic perspectives, and contribute to a well-rounded education.

How to apply?

The formal written request must be made to the Principal 30 days before the leave. It must include the dates, destination, purpose of the trip, and a description of the educational value, with specific plans for enrichment. The parent/guardian must arrange to make up missed classroom work with the teacher(s).

How many days will be excused?

Under the Educational Leave of Absence, up to ten school days can be school-excused. After ten days of school excused, the others will be parent-excused days.

How many parent-excused days can be used in a school year?

Parents can legally excuse their child from school for ten days.

What else do parents/guardians need to know?

According to the Baden Academy handbook, planned absences that shorten the school year by coinciding with either the beginning or the end of the Baden Academy school year are not permitted.

How do I access the application?

You can find the form on our website.
